

LEGIS

SURFACE MOUNTING

Legis is a bedhead spotlight with flexible arm ideal as a reading light. The base, to be installed on the headboard with screws (included), integrates an On/Off switch and a USB socket, useful for charging the phone and other electronic devices. The LED source is proposed with a warm colour temperature (3000K).

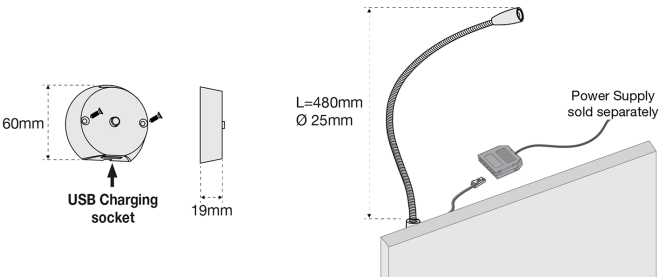

LEGIS

- flexible arm
- low power consumption
- USB port for charging devices (5 V 1 A output)
